## You will need:

1. Paper (heavy card stock is best)
2. Scissors
3. Double-sided or Clear tape

## Directions:

Print this template and have an adult help you cut along the solid lines of the door hanger. Cut over the solid line leading the circle and continue cutting until you have a circular cut-out large enough to fit over your doorknob. Fold in half across the dotted line and tape the edges to keep them in place.
